

# FACE MASK GUIDANCE

## WEAR CLOTH MASKS THE RIGHT WAY

### DO'S

Clean hands first

Look for damage or dirt on mask

Place mask over mouth, nose and chin (avoiding gaps on sides)

Avoid touching mask

Clean hands before removing mask

Take off using straps behind the ears/head

Store mask in clean paper bag if it can be reused

Remove mask from bag using straps

Wash mask in soap/detergent once a day

Clean hands after removing mask

### DON'TS

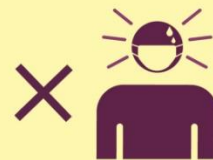

Don't wear mask loosely or under the nose

Never use a damaged, dirty or wet mask

Never remove mask within 6 feet of others

Don't use a mask that's hard to breathe through

Never share your mask with others
